Volume Discounts for TreeAzin Treatment

All arborists licensed to treat trees for Emerald Ash Borer, listed on the Bio-Forest web site (as of 17th January 2013) were asked about potential savings customers could expect for TreeAzin treatments. These treatments are required every two years until natural biocontrols become established, probably in a decade or so. Two companies, Greener Seasons and Eastern Ontario Arborists, provided information. Their estimates were very similar. On average they were:
