

Walton Continues Its Hard Sell

Posted on [May 29, 2013](#) by [Ken Gray](#)

Land developer [Walton International](#) is certainly persistent.

This search of the [City of Ottawa](#) lobbyist registry shows that the Calgary-based company has continued to lobby [councillors](#) right into the month of May.

Walton would like to develop an enormous swath of land across the southwest part of the city that would, if approved, create a community the size of [Kanata](#).
