**Re: Notice of appeal**

Official Plan Amendment 173 of the Official Plan of the City of Ottawa

This is to advise you that we intend to appeal Official Plan Amendment 173, which applies the General Urban designation to the lands in North Kanata known as Area 1, generally located on either side of March Road, west of the CN rail Corridor, east of Marchbrook Circle and Panandrick subdivisions, north of the existing urban boundary and Brookside subdivision and south of Hillview subdivision.

The specific grounds for the appeal include:

1. The conditions of Official Plan Policy 3.11.2 have not been met.
2. The notification requirements prescribed under Bill 73 have not been fulfilled.
3. The determination that woodlot S20 is not a significant woodland under the 2014 Provincial Policy Statement is not substantiated.

A certified cheque in payment of the required fee is enclosed.
