Q206d. Every review of the official plan addresses expanding the urban boundary, which results in the loss of rural green space. As an elected official, what is your opinion of urban expansion? Are you more likely to support intensifying within the urban boundary or expanding into rural Ottawa? Please explain.

I have fought back against urban expansion previously. I led the campaign 10 years ago while Larry O'Brien was in office, and was on trial. We won a vote of 12-11 to maintain the current urban boundary as expanding it is terrible for the environment and simultaneously puts pressure on our tax base. There are absolutely zero compelling arguments to expand the urban boundary in Ottawa.

Q227b. In April 2018, mayors in the Montreal Metropolitan Community (CMM) unanimously opposed the proposal to build the permanent nuclear waste disposal site in Chalk River, Ontario.
