

*To see the sun
to reach for the fire
to hear behind all the clamor
the song of life.
There's time for laughing
and there's time for crying
for hoping for despair
for peace and for longing
a time for silence and a day for singing
but more than all (as all your
more than eyes tell me)
there is a time for timelessness.
e. e. cummings*

*In Loving Memory of
Amy Jacqueline Steele*
